Cholargos, 15 November 2018

PRESS RELEASE

Hellenic Cadastre Agency has made the following announcement:

**The collection of cadastral survey declarations starts on the Dodecanese islands (in the areas of the islands Agathonisi, Astypalaia, Kalymnos, Leipsoi, Leros, Karpathos, Kasos, Nisyros, Megisti, Tilos and Chalki)**

By decision of the Hellenic Cadastre Agency (Board of Directors No 40/7/14-11-2018), the collection of cadastral survey declarations will begin on **Monday, 19 November 2018** with anyone having a right to real property located in the pre-Kapodistrias Municipalities/Communities of: Agathonisi of the Kallikratis Municipality of Agathonisi, Astipalaia of the Kallikratis Municipality of Astypalaia, Kalymnos of the Kallikratis Municipality of Kalymnos, Leipsoi of the Kallikratis Municipality of Leipsoi, Leros (except the area that has been incorporated in the Cadastre Agency of Kos-Leros) of the Kallikratis Municipality of Leros, Regional Unit of Kalymnos, Olympos, Mesochori, Spoa, Volada, Aperi, Othos, Pyles, Karpathos, Menetes, Arkasa of the Kallikratis Municipality of Karpathos, Kasos of the Kallikratis Municipality of Kasos, Regional Unit of Karpathos, Mandraki, Emporeio, Nikia of the Kallikratis Municipality of Nisyros, Regional Unit of Kos and Megisti of the Kallikratis Municipality of Megisti, Megalo Chorio, Livadia of the Kallikratis Municipality of Tilos and Chalki of the Kallikratis Municipality of Chalki, of the Regional Unit of Rhodes, being invited to submit declarations for their real property either at the Cadastral Survey Office in the region where their real property is located or online at the Cadastre website www.ktimatologio.gr

The deadline for the submission of declarations for these regions, which begins on 19 November 2018 is 19 February 2019 for residents of Greece and 20 May 2019 for expatriates and the Greek State.

Submission of declarations is mandatory. Failure to comply will incur the penalties laid down by law.
The properties that will not be declared during the Cadastral Survey shall be registered as of «unknown owner» and if no relevant corrections are made within the aforesaid deadline, they shall vest in the Greek State. It is therefore particularly critical, the rightholders to submit their declaration before the expiration date for collection of declarations (19 February 2019), otherwise it will be more expensive and will require more time to complete the process.
