PRESS RELEASE

Hellenic Cadastre has made the following announcement:

The Cadastre Survey enters its final stage. The collection of cadastral survey declarations starts in Magnisia (Municipalities of Iolkos, Nea Ionia & Communities)

The collection of declarations of ownership starts on Tuesday, March 12 of 2019, in the regions of R.U. of Magnisia. Anyone owing real property in the above areas is invited to submit declarations for their real property either at the Cadastral Survey Office in the region where their real property is located or online at the Cadastre website www.ktimatologio.gr

The deadline for the submission of declarations for these regions, which begins on March 12 of 2019, is June 12 of 2019 for residents of Greece and September 12 of 2019 for expatriates and the Greek State.

Submission of declarations is mandatory. Failure to comply will incur the penalties laid down by law. The areas (pre-Kapodistrias LRAs) where the declarations for real property are collected and the competent offices are shown in detail below:
