PRESS RELEASE

The Cadastre Survey enters its final stage.

- Transfer Certificate is optional
- The collection of declarations starts in the areas of Achaia
  (Municipality of Aigialeia)

Hellenic Cadastre has made the following announcement:

In order to facilitate and better serve the public, it is recalled that the submission of the transfer certificate at the time of submission of the declarations is optional, so its absence does not prevent the registration of property rights.

In the event that the transfer certificates are submitted at a later date, they will be received by the Cadastral Offices through the requests for additional data.

Besides:

The collection of declarations of ownership starts on Monday, April 8, 2019 for those who have properties within the boundaries of the of the pre-Kapodistrias Municipalities of Aigio, Erineos (former communities of Ziria, Neos Erineos, Kamares) and pre-Kapodistrias Communities of Agios Konstantinos, Valimitika, Dimitropoulos, Digeliotika, Kouloura, Loggos, Rododafni, Selianitika, Selinountos, Temeni of the Kallikratis Municipality of Aigialeia of the regional unit of Achaia of the region of Western Greece.

Anyone owing real property in the above areas is invited to submit declarations for their real property either at the Cadastral Survey Office in the region where their real property is located or online at the Cadastre website www.ktimatologio.gr
The deadline for the submission of declarations for these areas, which begins on April 08 of 2019, is July 08 of 2019 for residents of Greece and October 08 of 2019 for expatriates and the Greek State.

Submission of declarations is mandatory. Failure to comply will incur the penalties laid down by law. The areas (pre-Kapodistrias LRAs) where the declarations for real property are collected and the competent offices are shown in detail below:
