PRESS RELEASE

Hellenic Cadastre has made the following announcement:

The Cadastre Survey enters its final stage.
The Posting of Cadastral Data starts in the areas of R.U. Of Thessaloniki.

On Thursday, June 20, 2019, the Posting of Temporary Cadastral Tables and Charts starts in the pre-Kapodistrias LRAs of: Epanomi, Nea Michaniona and Aggelochori of the Kallikratis Municipality of Thermaikos and Agia Paraskevi, Kardia and Trilofos of the Kallikratis Municipality of Thermi of the Regional Unit of Thessalonikki of the region of Central Macedonia.

Temporary Cadastral Charts and Temporary Cadastral Tables will be posted at the Cadastral Survey Offices and will remain posted for two (2) months from June 20, 2019. Anyone with a legitimate interest may make an application to correct or appeal against posted data at the competent Cadastral Survey Office within two (2) months of the above date. For expatriates and the Greek State the deadline is four (4) months. In particular, for the application for correction of a manifest error, the submission deadline is until July 3, 2020. Until the same date, overdue declarations may also be submitted.

From the start of the Posting, the formalities referred to in Article 5 of Law No 2308/1995 shall enter into force (concerning the drafting of contracts, the discussion in court and the registration of any act in the Land Registry)
